Dear Applicant:

Within 30 days from the date of this letter, file an amendment to resolve the deficiency that was discovered during the initial review of your application. Amendments must be filed electronically. Failure to amend your application will result in the dismissal of the application.

Specifically, the proposed tower height of 16 meters failed our slope study based on the distance from the Jefferson City Memorial Airport; therefore, coordination and approval with the FAA is required.

Sincerely

Hossein Hashemzadeh  
Deputy Chief

Media Bureau
