Special Temporary Authorization

Dear Counsel:

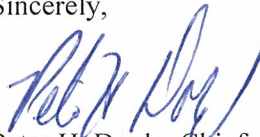

This is in reference to the request filed July 28, 2011, on behalf of CC Licenses, LLC ("CCL"). CCL requests, *inter alia*, Special Temporary Authority ("STA") to permit continued operation of both Expanded Band AM Station WVON and commonly owned, associated lower band AM Station WDDD, beyond the fifth anniversary of the initial licensing of Station WVON (formerly WRLL).¹ In support of the request, CCL states that the public interest would be served by allowing continued operation of both stations.

In order to provide for continued service to the public, we will grant STA for continued operation of Station WDDD beyond the expiration of the five-year term.²

Accordingly, the request for STA IS HEREBY GRANTED. Station WDDD may continue to operate with its currently licensed facilities, notwithstanding Special Operating Condition #2 of License BL-20031001CGE. We extend the Section 73.3555 Note 10 authority for joint ownership to permit continued operation of Stations WVON and WDDD.

This authority expires on **January 29, 2012**.

Sincerely,

Peter H. Doyle, Chief
