Silent since November 30, 2010

Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Parrish:

This letter concerns the request you filed on July 12, 2011, on behalf of Edgewater Broadcasting, Inc. ("EBI"), for extension of Special Temporary Authority to permit FM Translator Station W209CD to remain silent.

Commission records reflect that EBI stated that Station W209CD went silent on November 30, 2010, due to financial reasons. The previous STA was granted on January 12, 2011, and expired on July 11, 2011. EBI requests extension of its STA because it continues to have financial difficulties. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

EBI's request will be granted. Accordingly, Special Temporary Authority is granted to permit Station W209CD to remain silent not to exceed November 30, 2011. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station W209CD will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., December 1, 2011.¹** See Section 312(g) of the Communications Act, 47 U.S.C. § 312(g).

¹ In addition to filing electronically with the Commission on the date operations resume, notification of resumption of broadcast operations must be emailed to Denise.Williams@FCC.gov.

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. *See* 47 C.F.R. §§ 17.6 and 73.1740(a)(4).

Sincerely,
