Re: WUWT-CD, Union City, TN  
Facility ID No. 32216

Dear Licensee:

This is with respect to the letter dated March 25, 2011, from the Video Services Division to Joseph H. Harpole, Sr., the licensee of Class A television station WUWT-CD, Union City, TN, regarding your apparent failure to make the required filing of quarterly FCC Form 398 (Children's Television Programming Report) for the station. A copy of the March 25, 2011 letter can be viewed in the station's correspondence folder in the Commission's Broadcast Radio & Television Electronic Filing System (CDBS) at [http://licensing.fcc.gov/cgi-bin/ws.exe/prod/cdbs/pubacc/prod/corrp\\_list.pl?Facility\\_id=32216](http://licensing.fcc.gov/cgi-bin/ws.exe/prod/cdbs/pubacc/prod/corrp_list.pl?Facility_id=32216).

Commission records indicate that Joseph H. Harpole, Sr., failed to make the required Form 398 electronic filings for all four quarters of 2006, 2007, 2008 and 2009, and required you to provide information, supported by the declaration of a person with personal knowledge, identifying the quarters in 2006, 2007, 2008 and 2009 for which reports were prepared and placed in the station's public file and the location of the public file. The letter further required that this information be filed within 30 days and stated that failure to provide the requested information or to notify the staff that you were electing to let station WUWT-CD revert to low power television status would result in the institution of a forfeiture proceeding and/or loss of Class A television status.

As of today, the Commission has not received a response to the Division's March 25, 2011 letter. Failure to provide the information required in the March 25 letter within 30 days from the date of this letter will result in a change of the station's status from Class A television to low power television status. Your response to this letter must be mailed to Doris C. McGhee, Video Division, Media Bureau, Federal Communications Commission, 445-12<sup>th</sup> Street, S.W, Washington, D.C. 20554, and also by email to [Doris.McGhee@fcc.gov](mailto:Doris.McGhee@fcc.gov).

Sincerely,

Hossein Hashemzadeh, Deputy Chief  
Video Division, Media Bureau
