Re: Control Point Notification
Station KXRV
Cannon Ball, ND
FIN: 165952

Dear Mr. Doyle:

Let this letter serve as notice, pursuant to 47 C.F.R. §73.1250(h), of the establishment of a new transmission system control point for the above-referenced station. As required by §73.1250(h), all current control points are listed below.

Main Studio and Current Control Point:

West River Transit
3750 East Rosser Avenue
Bismarck, ND 58501
701-258-1355

New Control Point:

409 N. 4th
Bismarck, ND 58501
701-751-4357

Respectfully submitted,

Clark Parrish
Technical Director
World Radio Link, Inc.
