Re: K26FA, Vista, California
File No. BDFCDTL-20070227ACN
Facility ID No. 14910

Dear Applicants:

This is with respect to the above-referenced application filed by D'Amico Brothers Broadcasting, Corp. ("D'Amico") to change the operations of low power television K26FA, Vista, California, from analog to digital on channel 26 and to increase power. Entravision Holdings, LLC ("Entravision"), the licensee of Class A television station KDTF-CA, San Diego, California, filed an Informal Objection, alleging that D'Amico's application was mutually-exclusive with its pending application to change KDTF-CA from channel 17 to digital channel 25, and that Entravision's application was entitled to a priority pursuant to Section 73.3572 of the Commission's Rules.¹ D'Amico filed an opposition, to which Entravision replied.

On October 31, 2011, the Commission received a "Joint Motion to Dismiss Informal Objection" from D'Amico and Entravision, requesting that the Commission dismiss with prejudice Entravision's Informal Objection. They also submitted a copy of a "Settlement and Interference Acceptance Agreement" whereby the parties consent to the grant of the other's application. The settlement agreement fully complies with Section 73.3588 of the Commission's Rules.

In view of the foregoing, the "Joint Motion to Dismiss Informal Objection" IS GRANTED, the Informal Objection filed against the above-referenced application IS DISMISSED and the application IS GRANTED.

Sincerely,

Hossein Hashemzadeh
Deputy Chief, Video Division

¹ FCC File No. BDISDTA-20090611ACQ. Entravision's application is mutually-exclusive with an application filed by Civic Light, Inc. for station KZTC-LP (FCC File No. BDISDTL-20090630ABO)
