RE: Experimental authorization request for Modified Dependent  
Carrier Level Operation, KFLC(AM), Fac. 34298  
FRN: 0015274962

Dear Ms. Dortch:

KESS-AM License Corp., licensee of AM radio station KFLC, Fort Worth, TX, requests experimental authorization to conduct tests for the evaluation of Modified Dependent Carrier Level technology. Experimental authorization is requested during the local hours of 0600 -1800 for a period of thirty calendar days.

Please direct questions concerning this matter to the undersigned.

Sincerely,

Randal E. Smith  
Transmitter Engineer  
KESS-AM License Corp.
