Dear Applicant:

This refers to: (1) the above-captioned application for K296BP, Ephrata, ETC., Washington.

An engineering study of the application has revealed that it is in violation of 47 C.F.R. § 74.1231(b). Section 74.1231(b) of the Commission's Rules states that a noncommercial educational FM translator station that may not use alternative signal delivery means (Satellite) when the application proposes to operate on a non-reserved channel and does not provide fill-in service to the primary station. The proposed primary station is WJVI(FM), Wilson, Louisiana. The application failed to discuss this violation.
