In re: Low Power Television Application of:  
Venture Technologies Group, LLC  
Channel 20, Greenfield, CA.  
File no.: BMPDTL-20111118COD  
Facility Id No.: 167279

Dear Applicant:

Within 30 days from the date of this letter, file an amendment to resolve the deficiencies that were discovered during the initial review of your application. Amendments must be filed electronically. Failure to amend your application will result in the dismissal of the application.

Specifically, the proposed facility protected contour does not overlap with the protected contour of the licensed facility file number BLTTL-20060522ABM. The contours must overlap in order for the proposed modification to be considered as a minor change. In addition, the proposed relocation distance is 78.8 miles from the existing license facility which exceeds our 30 mile rule.

Sincerely
