Dear Licensee:

The Commission is in receipt of information that station WSSN-LP, Hudson, New York, was never built as certified in the license application filed with the Commission (FCC File Number BLTTL-20050915AAI). In order for the Commission to evaluate this claim you are required to provide us with the following information:

1. An affidavit or declaration under penalty of perjury from a principal of the licensee with personal knowledge that this station has been on the air from September 15, 2005 with no interruption in service. Please include a description of the equipment used, the antenna and tower site, the effective radiated power, HAAT, and studio location
2. A copy of the signed lease for the tower that the transmitting antenna is mounted on.
3. A copy of the station's weekly programming schedule, the source of such programming, and the method of delivery to the station's transmission facilities.
4. Copies of utilities bills related to the operation of the station between September 15, 2005 and the present.

You are given 15 days from the date of this letter to provide the information requested. If the information is not provided the license for this station will be cancelled.

Sincerely:

Hossein Hashemzadeh
Deputy Chief, Video Division
