Re: Liberty University, Inc.
WWMC(FM), Lynchburg, Virginia
Facility Identification Number: 37248
Special Temporary Authority

Dear Counsel:

This is in reference to the request filed March 2, 2012, on behalf of Liberty University, Inc. ("LU"). LU requests further modification of the special temporary authority ("STA") granted on September 16, 2011, and modified on October 26, 2011, to operate Station WWMC with temporary facilities.¹

In support of the request, LU states that the intermodulation problem which made it necessary to reduce the power of the STA operation now has been resolved. LU requests that the STA power be restored to the original 60 watts.

Our review indicates that the proposed STA operation is the same as was previously authorized; thus, no interference to other stations is likely to result from the requested modification.

Accordingly, the request for modification of STA IS HEREBY GRANTED. Station WWMC may operate with the following facilities:

Geographic coordinates:	37° 21' 32" N, 79° 09' 32" W (NAD 1927)
Channel	215 (90.9 MHz)
Effective radiated power:	0.06 kilowatt (H&V)
Antenna height:	
above ground:	15 meters
above mean sea level:	420 meters
above average terrain:	185 meters

LU must notify the Commission when licensed operation is restored. LU must use whatever

¹ WWMC is licensed for operation on Channel 215A (90.9 MHz) with effective radiated power of 0.1 kilowatt (H&V) and antenna height above average terrain of 184 meters.

means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. See 47 CFR § 1.1310. It is anticipated that an application for construction permit for permanent relocation of the station will be filed prior to the expiration date below. The authority granted herein is without prejudice as to any subsequently-filed application for construction permit. Any construction undertaken pursuant to this authority is entirely at LU's own risk.

This authority expires on **September 5, 2012**.

Sincerely,

A handwritten signature in blue ink that reads "Charles N. Miller". The signature is written in a cursive style with a large initial "C" and "M".
