**Re: WUML(FM), Lowell, MA, Facility No. 69410  
Resumption of Licensed Operations**

Dear Ms. Dortch:

On behalf of the University of Massachusetts, Lowell, the licensee of FM broadcast station WUML, Lowell, MA, this is to notify the Commission that the station has resumed licensed operations.

On April 8, 2011, the University submitted a request for special temporary authority for WUML to operate with reduced power due to the failure of the station's transmitter (BSTA-20110408ABF). That STA was granted through August 6, 2012. WUML's transmitter has now been replaced and the station has resumed licensed operations.

Sincerely,

  
Alisa R. Lahey
