Facility ID No. 143539

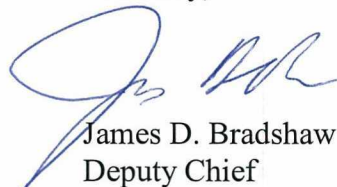

Dear Applicant:

This letter refers to the above-captioned translator application for W272AZ, Coxsackie, NY.

Our study reveals that the application is a major change application pursuant to Section 74.1233(a)(1) of the Commission's Rules. Specifically, the proposed 60 dBu service area fails to provide service to some portion of its 60 dBu licensed service area, (BLFT-20061025AAP). Therefore, the proposal is a major change. Because major change applications are not being accepted for filing, the application will be dismissed.

Sincerely,
