Dear Applicant:

The application referenced above is dismissed

The licensee was sent a deficiency letter on March 23, 2012. You were given 30 days from the date of that letter to file an amendment to resolve the deficiency that was discovered during the initial review of your application as shown below. Amendments must be filed electronically. Failure to amend your application will result in the dismissal of the application.

Specifically, the proposal is predicted to cause interference to the following facilities:

1. KSNV-DT, Las Vegas, NV. – BLCDT-20050824ABJ

Our records show that an amendment was filed on April 3, 2012 for the purpose of resolving the above interference issue; however, our current interference analysis shows the same interference issues still exist as referenced above.

Sincerely
