ORDER

Adopted: April 24, 2012

Released: April 25, 2012

By the Chief, Video Division, Media Bureau:

1. This is with respect to station KHCC-LP, Corpus Christi, Texas, licensed to Minerva R. Lopez (“Lopez”). This station is currently licensed as a Class A television station, which are accorded primary spectrum use status pursuant to the Community Broadcasters Protection Act of 1999 (“CBPA”).¹

2. By letters dated March 28, 2011 and August 3, 2011, the Video Division of the Media Bureau requested information from Lopez regarding her apparent failure to make the required filing of quarterly FCC Form 398 (Children’s Television Programming Report) for the station for all four quarters in 2006, 2007, 2008, 2009 and 2010.² Both letters required that the information be provided within 30 days of the date of the letter, and cautioned that failure to provide the information could result in a change of the station’s status from Class A television to low power television. Lopez failed to respond to the Division’s letters or to file the required Children’s Television Programming Reports. Accordingly, pursuant to Section 316(a) of the Communications Act of 1934, as amended,³ the Video Division issued an *Order to Show Cause* why the license for KHCC-LP should not be modified to specify the station as a low power television station.⁴

3. Lopez was afforded until March 30, 2012, to file a written statement why her license should not be so modified, and was also notified that if no written statement was filed by that date, she would be deemed to have consented to the modification of the KHCC-LP license from Class A television status to low power television status. Lopez did not file a written statement in response to the *Order to Show Cause*, and, therefore, we deem her to have accepted the modification of the KHCC-LP license to low power television status.⁵ Further, because Lopez has failed to file Children’s Television
