Re: Radio Cantico Nuevo, Inc.
WNYG(AM), Medford, New York
Facility Identification Number: 5208
File No. BP-20110919ADG

Dear Mr. Hecht:

This is in reference to the above-captioned minor change application to add a nighttime operation for station WNYG(AM), and the March 19, 2012, amendment.

A preliminary review of the amended application reveals that the proposal will enter and increase the 25% RSS nighttime limit towards WVEI(AM), in violation of Section 73.182 of the Commission's rules. To be specific, the WVEI(AM) RSS limit is comprised of the contributions of 3.3 mV/m from WENE, 2.0 mV/m from WRED, 1.7 mV/m from WHIS, 1.6 mV/m from NEW (Ottawa, Canada), 1.6 mV/m from WNSW, 1.3 mV/m from WNPV, and 1.3 mV/m from WWSC. The proposed contribution will raise the 25% RSS limit from 5.1 mV/m to 5.5 mV/m.

Further action on the subject application will be withheld for a period of 30 days from the date of this letter to provide an opportunity to file a curative amendment. Failure to amend or respond will result in the dismissal of the application pursuant to Section 73.3568 of the Commission's rules.

Sincerely,

Son Nguyen
Supervisory Engineer
