Dear Applicant:

We are currently processing your above-referenced application. Our preliminary engineering review reveals that your proposed facility is located in the West Virginia quiet zone. You are required to notify the Interference Office, National Radio Astronomy Observatory, P.O. Box 2, Green Bank, West Virginia 24944, Telephone# (304) 456-2011, pursuant to Section 73.1030, 47 C.F.R of the Commission rules. You must also submit a copy of this notification to the Video Division at the same time.

You are hereby given the opportunity to comply with the above mentioned requirements within (30) days from the date of this letter. If not so amended electronically, your application will be considered incomplete and subsequently dismissed. You are also required to submit to the Video Division a copy of the reply from the National Radio Astronomy Observatory upon receipt of the reply.

Sincerely

Hossein Hashemzadeh  
Deputy Chief  
Video Division  
Media Bureau
