Silent since July 31, 2011

Request for Extension of Special Temporary
Authority to Remain Silent

Dear Ms. Watson:

This letter concerns the request you filed on April 11, 2012, on behalf of Florida Community Radio, Inc. ("FCR"), for extension of Special Temporary Authority to permit FM Low Power Radio Station WMJB-LP to remain silent.

Commission records reflect that FCR stated that Station WMJB-LP went silent on July 31, 2011, pending a proposed modification of its facilities. The previous STA was granted on October 6, 2011, and expired on April 3, 2012. FCR requests extension of its STA to complete the proposed modification of its facilities. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

FCR's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WMJB-LP to remain silent until July 31, 2012. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WMJB-LP will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., August 1, 2012.**¹ See Section 312(g) of the Communications Act, 47 U.S.C. § 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. See 47 C.F.R. §§ 17.6 and 73.1740(a)(4).

Sincerely,

Lisa A. Scanlan
Assistant Chief, Audio Division
Media Bureau

¹ In addition to filing electronically with the Commission on the date operations resume, notification of resumption of broadcast operations must be emailed to Denise.Williams@FCC.gov.
