New FM Station, Ilwaco, Washington

File No. BNPH-20110630AGJ

Dear Mr. Doyle:

South Sound Broadcasting, LLC ("South Sound"), the licensee of Station KOMO-FM, Oakville, Washington, respectfully requests that the response date set forth in your letter of April 26, 2012 regarding its above referenced application be extended until July 1, 2012. The extension is necessary in order that South Sound can gather data in response to a more detailed amendment to its earlier §307(b) showing set forth in the above referenced application to change its city of license from Oakville, Washington to Belfair, Washington. This showing will require a detailed study, including an independent study of Belfair and its citizenry, to rebut the presumption that it is dependent upon the Olympia-Lacey Urbanized Area.

In view of the above, South Sound respectfully requests that the response date to the Commission's letter of April 26, 2012 be extended to July 1, 2012.

SOUTH SOUND BROADCASTING, L.L.C.
