Re: WAVK(FM), Marathon, Florida
Facility Identification Number: 23294
Vox Communications Group LLC
Special Temporary Authorization

Dear Counsel:

This is in reference to the request filed March 26, 2012, on behalf of Vox Communications Group LLC ("VCG"). VCG requests extension of the special temporary authority ("STA") granted on September 27, 2011, to operate Station WAVK with reduced power.

In support of the request, VCG states that it continues the process of implementing modified facilities for Station WAVK as authorized by Construction Permit BPH-20100301ABT.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Our review indicates that the licensee has made progress toward restoration of licensed operation, but additional time is required for completing the work. Thus, extension of STA is warranted.

Accordingly, the request for extension of STA IS HEREBY GRANTED. Station WAVK may

continue to operate with reduced power. VCG must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **November 17, 2012**.

Sincerely,

A handwritten signature in blue ink, appearing to read "Charles N. Miller". The signature is fluid and cursive, with a long horizontal stroke at the end.
