Attention: Ms. Diane Blair

Dear Ms. Blair

In reference to your phone conversation of January 29, 1991, with Mr. Tom Arledge our contract engineer, concerning WLFH radio Irondale, Alabama and show cause order of November 1987.

WLFH radio has no interest for nighttime authorization of 55 watts of power. Due to the location of WLFH transmitter, and the immediate population in that area, it would not be economically feasible to operate with this power level.

Sincerely,

Bill Frink
