Greetings:

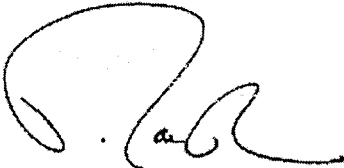

I am the individual licensee of AM broadcast station KQNM, facility number 22391. By this letter, I respectfully request the dismissal of an application related to this facility, File Number BMJP-20040129AFO, originally filed on 1/29/2004 and amended on 5/15/2012 and 5/16/2012.

I am requesting this dismissal as I no longer wish to pursue the project outlined in the original application. I hereby certify that I have had no contact with any other mutually exclusive applicant, and have received no compensation whatsoever to induce me to request this dismissal.

On 8/21/2012 I filed a new application for Minor Change for KQNM (BP-20120821ACA), which reflects my current plans for this facility, and hereby request that application be processed by the Commission. KQNM is currently off the air (BLSTA-20120329ABX), and the Commission's grant of the current application for Minor Change will enable me to promptly restore service to Milan, New Mexico, the community of license of KQNM.

I welcome your contact any time at the e-mail address or telephone number below.

Sincerely,

Martha Whitman  
licensee, KQNM
