Re: WHNR(AM), Cypress Gardens, FL
Facility ID 21766

Dear Ms. Dortch:

The purpose of this letter is to notify the Commission that WHNR(AM) (the "Station") has been taken off the air temporarily as of October 23, 2012.

As the Receiver for the assets for GB Enterprises Communications Corporation, George R. Reed had hoped to continue on-air operations until final disposition of matters by the Circuit Court for the Tenth Judicial Circuit in Polk County, Florida (which appointed him as the Receiver). However, Mr. Reed has been unable to reach an acceptable agreement to continue the provision of the programming that had previously been broadcast by the Station. Fulfillment of his obligations and responsibilities as the licensee of the Station therefore required him to take the Station off the air temporarily until alternative programming arrangements (and, if need be, alternative transmission facilities) can be secured.

A request for Special Temporary Authorization will be filed if it is anticipated that the Station will be off the air for 30 days or more.

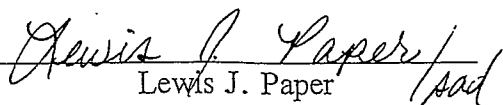

I should be contacted if the staff has any questions concerning this notification.
