FRN 0006024319

Dear Ms. Dortch:

On behalf of Boulder Community Broadcast Association, Inc., licensee of radio station KGNU(AM), Denver, Colorado, I hereby give notice, pursuant to Section 73.1560(d) of the Commission's Rules, that KGNU(AM) experienced a problem with its transmitter on November 17, 2012, and is currently operating at half power. The licensee estimates that the repair will take another week or so to complete.

In the event that the licensee is unable to return to operating within licensed parameters by November 27, 2012, the licensee will request special temporary authority.

Respectfully submitted,

Melodie A. Virtue
