> Re: Zimmer Radio, Inc. KZYM(AM)/Facility ID No. 407 Joplin, Missouri

Dear Ms. Dortch:

On November 13, 2012, Zimmer Radio, Inc. ("ZRI"), licensee of AM Station KZYM, Joplin, Missouri, was granted special temporary authority ("STA") to operate KZYM with emergency antenna facilities from an existing tower with a skirt wire feed. On behalf of ZRI, please be advised that it has changed to a series feed using a quarter wave stub to isolate an LPTV transmission line, resulting in better load impedance and bandwith.

Should any questions arise concerning this matter, please contact this office.

Very truly yours, FLETCHER, HEALD & HILDRETH, PLC
