Request for Special Temporary Authority to Remain Silent

Dear Mr. Collins:

This letter concerns the request you filed on November 13, 2012, on behalf of The Collins Family Trust ("CFT"), for Special Temporary Authority to permit AM Radio Station KLFF to remain silent.

CFT's request states that Station KLFF(AM) went silent on November 1, 2012, because it lost its programming source. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988¹.

CFT's request is granted. Accordingly, Special Temporary Authority is granted to permit Station KLFF(AM) to remain silent not to exceed 180 days from the date of this letter. Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station KLFF(AM) will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., November 2, 2013.² See Section 312(g) of the Communications Act, 47 U.S.C. § 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. *See* 47 C.F.R. §§ 17.6 and 73.1740(a)(4).

Sincerely,

Lisa Scanlan

Assistant Chief, Audio Division

¹ In the event extension of special temporary authority is sought, please renew the certification in this matter.

² In addition to filing electronically with the Commission on the date operations resume, notification of resumption of broadcast operations must be emailed to Denise. Williams@FCC.gov.
