Re: KPFK(FM), Los Angeles, California  
Facility Id. No. 51252  
Notification of Resumption of Operations at Full Licensed Power

Dear Ms. Dortch:

On behalf of Pacifica Foundation, Inc., licensee of radio station KPFK(FM), Los Angeles, California, I hereby notify the Commission that KPFK(FM) has returned to operations at full licensed power as of February 4, 2013. By STA extension granted on December 11, 2012 (BESTA-20121204ACI), KPFK was authorized to operate at reduced power pending the installation of a new transmitter. That situation has now been remedied.

Kindly communicate any questions regarding this matter directly with this office.

Sincerely,

John Crigler
