NOTIFICATION OF RESUMPTION OF LICENSED OPERATIONS

Dear Ms. Dortch:

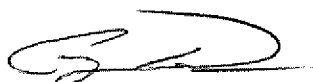

On behalf of **Cayuga County Community College ("Cayuga")**, Licensee of **Radio Station WDWN-FM at Auburn, New York**, we hereby notify the Commission that WDWN-FM is once again operating at full power, licensed operations.

By way of brief summary, on January 9, 2013, Cayuga was granted Special Temporary Authority ("STA") to operate at reduced power until such time as certain transmitter repairs could be made. See, **BSTA-20121218ABT**.

We are pleased to report that the transmitter repairs were completed on February 25, 2013, at which time the station resumed full-power, licensed operations.

Accordingly, the Commission's records should now reflect that WDWN-FM is now operating at full power, licensed operations. Should any questions arise concerning these matters, please contact the undersigned.

Sincerely,

Cary S. Tepper
