Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Trent:

This letter concerns the request you filed on January 11, 2013, on behalf of Apple 107.1, Inc. ("Apple"), for extension of Special Temporary Authority to permit FM Translator Station W292DV to remain silent.

Commission records reflect that Apple stated that Station W292DV went silent on May 7, 2012, pending grant of its modification of license application. The previous STA was granted on July 27, 2012, and expired on January 23, 2013. Apple requests extension of its STA pending the proposed modification of its facilities. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

Apple's request is granted. Accordingly, Special Temporary Authority is granted to permit Station W292DV to remain silent until May 7, 2013. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station W292DV will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., May 8, 2013.**¹ See Section 312(g) of the Communications Act, 47 U.S.C. § 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. See 47 C.F.R. §§ 17.6 and 73.1740(a)(4).

Sincerely,

Lisa Scanlan
Assistant Chief, Audio Division
Media Bureau

¹ In addition to filing electronically with the Commission on the date operations resume, notification of resumption of broadcast operations must be emailed to Denise.Williams@FCC.gov.
