Federal Communications Commission  
Office of the Secretary

Dear Ms. Dortch:

Townsquare Media Casper License, LLC, the licensee of KTWO(AM), by its attorneys, hereby notifies the Commission that the station is operating with reduced power. KTWO currently is operating with approximately 32 kw ERP following a transmitter system failure on April 6. Local weather conditions have delayed the necessary repairs.

Townsquare will notify the Commission promptly of the station's resumption of licensed operations. In the alternative, Townsquare will request special temporary authority if it is unable to restore KTWO's full power operations by May 6.

Please contact Howard Liberman of this firm at 202-842-8876 or me with any questions.

Sincerely,

  
Alisa R. Lahey
