Re: WEBC(AM), Duluth, MN, Facility No. 49689

Dear Ms. Dortch:

Townsquare Media Duluth License, LLC, the licensee of WEBC(AM), by its attorneys, hereby notifies the Commission that the station is operating with reduced power during the day and night and with daytime directional antenna parameters out of tolerance. WEBC's reduced power/out of tolerance operations began on April 11 due to severe weather. Weather conditions have prevented station personnel from evaluating the specifics of the damage, and more severe weather is predicted for the area in the next few days.

Townsquare will notify the Commission promptly of WEBC's resumption of licensed operations. In the alternative, Townsquare will request special temporary authority if it is unable to restore WEBC's licensed operations by May 11.

Please contact Howard Liberman of this firm at 202-842-8876 or me with any questions.

Sincerely,

Alisa R. Lahey
