Dear Applicant:

This refers to your attorney's letter dated March 10, 2013, for special temporary authority (STA) to operate at reduced effective radiated power (ERP). You indicate that WCVW-TV's main antenna was damaged by a lightning strike on March 23, 2013. WCVW is currently operating with an emergency antenna at a power of 20.3 kW. You state that reduced power operations will continue to be necessary while the applicant is trying to complete the repairs and restore full power operation.

In light of the above, special temporary authority pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules until October 16, 2013 IS GRANTED.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the printed name and title.
