Notification of Resumption of Full Power Operation and Program Test Authority

Dear Ms. Dortch:

On behalf of The Board of Trustees of the University of North Carolina at Chapel Hill, licensee of Noncommercial FM Station WURI, Manteo, North Carolina (Facility ID No. 91803) ("WURI"), this letter shall serve as notification to the Commission that WURI has resumed broadcasting at its full licensed power of 3.9 kW. As a result, the STA in File No. BSTA-20120426ABU, as extended by File No. BESTA-20121025AAL, is no longer needed for WURI's operations.

In addition, this letter shall serve as notification that WURI has commenced program test operations with a new antenna pursuant to Rule Sections 73.1690(c)(1) and 73.1620(a)(1). WURI expects to file a Form 302-FM license modification application shortly.

If any questions should arise during the course of your consideration of these matters, it is respectfully requested that you communicate with this office.

Sincerely,

Stephen Hartzell
