Dear Sirs:

We come to day to request that you please dismiss FCC form 302-AM (BAL-20121231ANV) for the modification of broadcast license from commercial to NCE. This modification of license application was formerly part of the proposed assignment of license from Joy Christian Communications, Inc. to Zypradio, Inc, a new NCE broadcaster. That license assignment application was FCC form 314 (BAL-20121030AAQ), which has already been dismissed. Since Joy Christian Communications already operates WZTQ as a NCE station, this modification of license from commercial to NCE via form 302-AM is moot. Can you please dismiss this application also?

Thank you for your prompt attention to this matter. If you should have questions or concerns, please do not hesitate to contact me immediately.
In Our Master's Joyful Service,

Ed Smith
