In re: WDIY(FM); Allentown, PA
Facility I.D. No.: 36992
Lehigh Valley Community Broadcasters
Association, Inc. ("Lehigh")
BPED-19990823IA

Dear Mr. Crigler

The staff has under consideration the above-captioned application for minor changes to station WDIY(FM). The staff issued a letter dated July 22, 2003 stating that the applicant was required to amend the television Channel 6 interference showing. **Lehigh** was required to respond within 30 days (August 22, 2003) by providing a revised showing. On August 22, 2003 **Lehigh** requested an extension to pursue a solution through agreement with the TV 6 station. To date the Commission has not received a response.

Further, the letter cautioned that failure to respond within the specified time period or to provide a curative amendment will result in the dismissal of the application pursuant to 47 C.F.R. Section 73.3568(a)(1). Application BPED-19990823IA IS HEREBY DISMISSED for failure to prosecute. This action is taken pursuant to 47 C.F.R. Section 0.283.

Sincerely,

George H. Gwinn
