Re: **WEGZ(FM), Washburn, WI (Facility ID No. 15972)**
Notice of Reduced Power Operations

Dear Ms. Dortch:

On behalf of Keweenaw Bay Broadcasting, Inc. ("Keweenaw"), the licensee of WEGZ(FM), Washburn, WI, and pursuant to Section 73.1560(d) of the Commission's rules, we hereby notify the Commission that, on or about April 15, 2013, WEGZ(FM) began operating at reduced power due to severe icing that is believed to have damaged the station's transmission line. WEGZ(FM) is now operating at approximately 2,000 watts.

Station personnel are working diligently to restore the station to full power as quickly as possible. In the event that the station cannot resume full power operations by May 15, 2013, Keweenaw will seek Special Temporary Authority for WEGZ(FM) to continue to operate at reduced power until the necessary repairs have been completed.

If there are any questions concerning this matter, please do not hesitate to contact the undersigned.

Respectfully submitted,

Kathryne Dickerson
