**Re: Notification of Reduced Power  
KJKL(FM), Selma, Oregon (FIN: 89860)**

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of noncommercial FM radio station KJKL, Selma, Oregon and pursuant to Section 73.1635 of the Commission's rules, this letter is to notify the Commission that KJKL has been operating at reduced power since December 26, 2012.

On December 26, 2012, KJKL began operating at approximately ninety percent of its effective radiated power due to a transmitter module failure. The transmitter is currently operating at approximately fifty percent power. EMF is taking measures to have the transmitter repaired. If EMF is unable to return KJKL to full power operation within 30 days, EMF will request special temporary authority to allow KJKL to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary N. O'Connor
