Section I, Page 2													
THE APPLICANT hereby waives any claim to the use of any particular frequency or of the ether as against the regulatory power of the United States because of the previous use of the same, whether by license or otherwise, and requests an authoriza- tion in accordance with this application. (See Section 304 of the Communications Act of 1934).													
THE APPLICANT represents that this application is not filed for the purpose of impeding, obstructing, or delaying deter- mination on any other application with which it may be in conflict.													
THE APPLICANT acknowledges that all the statements made in this application and attached exhibits are considered material representations, and that all the exhibits are a material part hereof and are incorporated herein as if set out in full in the application.													
	CERTIFICATION												
I certify that the statements in this application are true, complete, and correct to the best of my knowledge and belief, and are made in good faith.													
Signed and dated this 10 th day of Shunny, 1983													
WILLFUL FALSE STATEMENTS MADE ON THIS FORM ARE PUNISHABLE BY FINE AND IMPRISONMENT. U. S. CODE, TITLE 18, SECTION 1001. By Signature
