Dear Licensee:

This is with respect to the above-captioned stations. In a letter dated May 15, 2013 to Marlene H. Dortch, Secretary, Licensee requested that the stations be reverted to low power television status. By this letter, we confirm that the stations have been reverted to low power television status. Please be informed that no further action is required of Word of God Fellowship, Inc. This letter corrects errors in the call signs and Facility IDs for the stations from a version of this letter sent on May 23, 2013.

Sincerely;
