Thank you for the update. I will make sure the CDBS database is properly updated.

Mr. Bickel

Thanks for the time on the phone today.

This will serve as notice that KIQX-FM Durango, Col ( FAC ID 22174) has returned to full licensed power as of June 4, 2013 at 10:45 pm MDT.

I attempted to use the CDBS system for this notification but the BSTA number was rejected.

I would appreciated an acknowledgment of this for our files please.
