Re: **Notification of Reduced Power Operation**
William Jewell College
Station KWJC(FM), Liberty, Missouri
Facility Identifier Number 72478

Dear Ms. Dortch:

This letter, filed in triplicate on behalf of William Jewell College ("WJC"), the licensee of Station KWJC(FM), notifies the Federal Communications Commission that the Station is currently operating at approximately fifty percent (50%) of its licensed power as a result of the effects of a heavy snow storm. WJC's engineer is working diligently to determine the cause of the problem. If the problem cannot be identified and resolved within thirty (30) days, WJC will submit a request for Special Temporary Authority.

If there are any questions about this Notification, kindly contact undersigned counsel for William Jewell College.

Sincerely,

Mark Lipp
