**Re: Notification of Reduced Power  
WQKV(FM), Rochester, Indiana (FIN: 89586)**

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of noncommercial FM radio station WQKV, Rochester, Indiana and pursuant to Section 73.1560(d) of the Commission's rules, this letter is to notify the Commission that WQKV has been operating at reduced power since January 28, 2013.

On January 28, 2013, WQKV began operating at approximately eighty-five percent of its effective radiated power due to a transmitter problem. Accessing the problem has been difficult due to the weather. EMF is working to access the site and tune the transmitter in the upcoming days. If EMF is unable to return WQKV to full power operation within 30 days, EMF will request special temporary authority to allow WQKV to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary N. O'Connor
