Re: KTRS-FM, Casper, WY, Facility No. 26301

Dear Ms. Dortch:

Townsquare Media Casper License, LLC, the licensee of KTRS-FM, by its counsel, hereby notifies the Commission that the station has been operating with reduced power since October 31, 2012 due to a transmitter failure. The station currently is operating with its authorized main antenna, with a transmitter power output of 1,000 watts in lieu of its licensed power of 7,200 watts.

Townsquare will notify the Commission promptly of the station's resumption of licensed operations. In the alternative, Townsquare will request special temporary authority if it is unable to restore KTRS-FM's full power operations prior to November 30, 2012.

Please contact Howard Liberman of this firm at 202-842-8876 or me with any questions.

Sincerely,

Alisa R. Lahey
