Federal Communications Commission
Office of the Secretary

Re: **WSTB-FM (63537)**
Streetsboro, OH

NOTIFICATION OF RESUMPTION OF LICENSED OPERATIONS

Dear Ms. Dortch:

On behalf of **Streetsboro City School District ("Streetsboro")**, Licensee of **Radio Station WSTB-FM at Streetsboro, Ohio**, we hereby notify the Commission that WSTB-FM is once again operating at full power, licensed operations. Please be advised that full power, licensed operations resumed for WSTB-FM on July 4, 2013.

By way of brief summary, WSTB-FM had been operating at reduced power since June 19, 2013 when the station's transmitter failed. A Request for Reduced Power Special Temporary Authority ("STA") was filed on June 19, 2013, and granted on June 27, 2013. (See, BSTA-20130619AAD). A new transmitter was installed and final adjustments were made on July 7, 2013 to ensure WSTB-FM is now operating exactly as specified in its FCC license.

Accordingly, the Commission's records should now reflect that WSTB-FM is now operating at full power, licensed operations. Should any questions arise concerning these matters, please contact the undersigned.

Sincerely,

Cary S. Tepper
