Re: WODT (AM), New Orleans, Louisiana
Facility Identification Number: 11947
Clear Channel Broadcasting Licenses, Inc. (CCBL)
Special Temporary Authority (STA)
BESTA- 20130612AAG

Dear Mr. Langham:

This is in reference to the request filed on June 12, 2013. CCBL requests further extension of the STA originally granted on April 16, 2008, to operate with parameters at variance and/or reduced power while maintaining monitor points within licensed limits.¹ In support of the request, CCBL states that it is planning on conducting a conventional proof in the near future to allow for resumption of licensed operations.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of STA IS HEREBY GRANTED. Station WODT may continue to operate with parameters at variance and/or reduced power while maintaining monitor points within licensed limits. It will be necessary to further reduce power or cease operation if complaints of interference are received. CCBL must notify the Commission when licensed operation is restored.² CCBL must use whatever means are necessary to protect workers

¹ WODT is licensed for operation on 1280 kHz with 5 kilowatts, unlimited hours, employing a directional antenna (DA-1-U).

² See 47 CFR §§ 73.45(c), 73.51, 73.54, 73.61(b).

and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **January 11, 2014**. Failure to file an FCC Form 302 license application containing an acceptable proof may result in a denial of any further requests for extension.

Sincerely,
