In re: WTBN (AM), Pinellas Park, FL
Facility Identification Number: 51985
Common Ground Broadcasting, Inc. (CGB)
Special Temporary Authority (STA)
BESTA- 20130618ABK

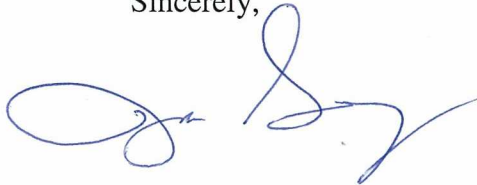

Dear Mr. Riley:

This is in reference to the request filed on June 18, 2013. CGB requests further extension of the STA originally granted on December 6, 1994, for operation of Station WTBN with 10 kW at night due to Cuban interference. In support of the request for extension, CGB provided a recent engineering showing to verify the Cuban interference continues.

Accordingly, the request for extension of STA IS HEREBY GRANTED. Station WTBN may continue to operate with 10 kilowatts nighttime. This authority is subject to termination upon reduction of power or cessation of operation by the Cuban operation or upon Commission instruction to return to licensed operation. It will be necessary to reduce power if interference complaints are received.

This authority expires on **January 12, 2014.**

Sincerely,

A handwritten signature in blue ink, appearing to be 'J. Szczesny', with a stylized flourish at the end.
