**Re: Notification of Reduced Power
KHCO(FM), Hayden, Colorado (FIN: 92359)**

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of noncommercial FM station KHCO(FM), Hayden, Colorado and pursuant to Section 73.1560(d) of the Commission's rules, this letter is to notify the Commission that KHCO(FM) has been operating at reduced power since May 1, 2013.

On May 1, 2013, the power for KHCO(FM) dropped below ninety percent due to high VSWR. Due to site conditions, EMF has not been able to access the site to assess the situation. The station is currently operating at approximately twenty percent power. EMF is hopeful that they will be able to access to the site in a few days. If EMF is unable to return KHCO(FM) to full power operation within 30 days, EMF will request special temporary authority to allow KHCO(FM) to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary N. O'Connor
