PETITION TO DENY THE SALE OF "KDAY LICENSING, LLC"

KDAY 10100
BALH-20130408ACL

Dear FCC,

I petition to deny the sale of KDAY (93.5fm Los Angeles) BALH-20130408ACL, to Chinese conglomerate Phoenix New Media and RBC Communications.

LA understands the significance of KDAY; it has been the Soundtrack of Los Angeles for nearly a quarter century. No other radio station on Planet Earth is playing the Old School Hip Hop music and artists of KDAY.

Much of KDAYs' vintage Hip Hop was created by local artists' right in LA's backyards. What's sad, is that many of these artists are no longer with us. So to silence their voices now on mainstream radio airwaves would prevent future generations from learning their history.

I am just one out of 958,000 Los Angeles-area listeners who tune into KDAY every minute and know that there is no other station playing the music of KDAY. I look forward to turning on the radio and know that I can go back into time with some great music. Smiling in my car, singing in my car, even bopping my head. It's just a great feeling that I get when I listen to the old hits from my generation. There is absolutely NO other Station that provides this music, and I am truly saddened of this proposed outcome. I will definitely be heartbroken if the sale is approved.

In response to this letter petition I hope that the FCC really listens with an open mind of these great comments of public listeners and gives in with the public's interest.

Please do not approve the sale of KDAY 10100, KDAY LISCENSING, LLC BALH-20130408ACL

STOP THE SALE OF America's only Old School Hip Hop radio station 93.5fm KDAY.
