Re: Petition for Reconsideration and Reinstatement of License of the
Hyde County Board of Education
Station WHYC(FM), Swan Quarter, North Carolina (Facility ID No. 28177)

Dear Ms. Dortch:

At the informal request of a member of the staff of the Media Bureau's Audio Division, transmitted herewith in triplicate is a Declaration of Vanessa Bryant. Please associate this with the Petition for Reconsideration and Reinstatement of License which I filed on March 12, 2010, on behalf of the Hyde County Board of Education with respect to the cancellation of the license of noncommercial educational FM Station WHYC(FM), Swan Quarter, North Carolina.

Please contact me if you have any questions about this matter.

Sincerely,

Harry F. Cole

Counsel for the Hyde County Board of Education

DECLARATION

Vanessa Bryant, under penalty of perjury, hereby declares the following to be true and correct:

1. On March 12, 2010, the Hyde County Board of Education submitted a Petition for Reconsideration and Reinstatement concerning its noncommercial educational FM Station WHYC(FM) ("the Station"), Swan Quarter, North Carolina. As reflected in that Petition (and in a Declaration included as an attachment to the Petition), I am General Manager of the Station.

2. In my Declaration I stated that the Station had operated over certain periods. The basis for that statement was my review of station logs which I personally maintained in connection with the operation of the Station. I understand that a representative of the Federal Communications Commission has requested that copies of those logs be submitted. The purpose of this Declaration is to comply with that request by submitting the attached, which are exact copies of the station logs which I maintained and which reflect the times of operation of the Station.

Vanessa Bryant
