In re: Low Power Television Applications of:
Bella spectra Corporation
Channel 29, Crozet, VA
File number: BNPDTL-20090825ASS
Facility Id No.:182299

Dear Applicant:

We are currently processing your above-referenced application. On January 19, 2010 we sent you a letter stated that your proposed facility is located within the West Virginia quiet zone. You were required to notify the Interference Office, National Radio Astronomy Observatory, P.O. Box 2, Green Bank, West Virginia 24944, Telephone# (304) 456-2011, pursuant to Section 73.1030 47 C.F.R of the Commission rules. You had to submit a copy of this notification to the Video Division at the same time and you were also required to submit a copy of the reply from the National Radio Astronomy Observatory upon receipt of the reply. On February 19, 2010 you submitted a copy of the notification.

Up to date, our records show that you have not submitted a copy of the reply from the National Radio Astronomy Observatory to the Commission.

You are hereby given the opportunity to comply with the above mentioned requirement within (30) days from the date of this letter. If not so amended, your application will be considered incomplete and subsequently dismissed.

Sincerely

Hossein Hashemzadeh
Deputy Chief
Video Division
Media Bureau
